**PLEASE NOTE entries with 'No Time' submitted will be rejected.**

Entry times must have been obtained at a licensed meet for Level 1 entries and random checks will be made against the ASA Online Rankings database.

All 50m, 100m, 200m events and 400m Freestyle are open to all ages.

As some swimmers will not have a rankings time for these events we will let swimmers with a 400m qualifying time enter the reverse distance freestyle event. Please enter an estimated qualifying time (if you don't have one from rankings). All reverse distance freestyle entries will be checked via rankings. If we need to limit numbers we will rank swimmers based on their Swim England Ranking for the event entered and then on the normal 800m / 1500m times.

No other estimated times will be accepted for Level 1 entry.

\*Swimmers who are currently 10 but will be 11 as of 31/12/19 may enter the 800m, 1500m and 400m IM.

**If swimmers are found to have entered the meet with any false or made up times, they will be disqualified from all events that they have entered and their entry fees will be forfeit.**

Entry times must be submitted as long course times, using the Hy-Tek entry file. Short course times are acceptable but they must be converted to long course. Estimated times are not permitted for any Level 1 events other than reverse 800m / 1500m as detailed above.

Sign in will be required before warm up for all 400m / 800m and 1500m events

**For entries of more than 3 swimmers electronic entry should be used.**
